

**Central Iowa NWA Meeting Minutes**  
**Thursday, February 2<sup>nd</sup>, 2012**  
**NWS in Johnston, IA**

Agenda Team

- One abstract submitted so far, too early to tell how many we will have. Deadline Feb. 25th
- Still waiting on Joplin doctor, emailed him about his schedule and said within the next day or two
- Northern Plains conference cancelled, so not sure the effect it will have on students attending ours
- Banquet is still going to be Thursday evening

Registration Team

- 11 registrations so far, 1 advertising space purchased
- 235 name badges will be needed
- Need to order 139 lanyards and 140 folders
- Email upcoming to registration team in the next week or two to schedule when to stuff folders, etc.
- Share registration for DMX employees when they go on different days?
  - o **Motion:** "To allow DMX personnel who are NWA members and whose registration is not already paid for the ability to split registration costs for this year only."
    - Motion passes unanimously
- Should we advertise the Joplin session at a daily rate?
  - o Might be a way to bolster the attendance
  - o Don't want to make it too low though or else it makes no sense to have a conference rate
  - o **Motion:** "To make a daily rate at \$70 for one-day registration only, excluding the banquet. The purchasing of two one-day registrations to achieve a cheaper overall rate would be prohibited."
    - Motion passes unanimously

Travel Team

- Estimated travel costs: \$5,919.56
  - o Does not include \$250 student scholarship costs or Russ's travel cost
  - o Cost to chapter: \$4,700
  - o Paid about \$3,700 last year
- **Motion:** "To set the banquet meal pass at \$25"
  - o Motion passes unanimously
- Greg Carbon and Gary Dobbs can each come, but James Spann is still a question mark
  - o Decided to just use the airline change fee if needed and have him come later and just talk to the chapter

## Vendor Team

- Some ads have been purchased.
- The back page has been purchased by a mobile app creator.

## Hotel Team

- Prices are basically the same this year as they were last year (food, electronics, etc.)
- Contract extension has been offered to us from Marriott and would be the same pricing, out to 2 or 3 years
- Prairie Meadows tour
  - o Very nice, incredible rooms
  - o There are some areas to eat nearby and shows going on there.
  - o Cost is going to be the issue, and deal is being reworked for one conference room (seats 261 classroom style).
  - o They have shuttles to/from the airport and will shuttle guests that are staying within one mile of the hotel.
  - o They seemed very accommodating with us bringing our own electronics. Wi-fi is complimentary.

## Electronics Team

- All the same as last year, so nothing to report

## Radar Team

- Need to get a dry run for the radar exercise
- Software updated to now issue tornado emergencies
- Situational awareness PowerPoint is done and the case is all set up

## Scholarship Team

- All in favor of asking Brad to be our reader of the scholarships

## Web Site

- Radar workshop and Facebook page update is still on the list of things to do
- It was decided to add the attendance to the bottom of the minutes instead of listing it as a separate column on the website.

## Social Media

- Facebook/Twitter still up and running, with nothing else to report

## Treasurer

- Money is good!

- 34 people have paid dues. Get them to Jim ASAP if you have not paid for some reason.
- Status of phone number registered on our account at the bank?
  - o Decided to set it to the DMX office phone

#### Jacob-Vice President

- Got a job as a general forecaster in Minneapolis, MN!
- Need a new VP:
  - o Will vote at the next meeting
  - o Send in your nominations to Chris within the next couple of weeks

#### Fundraising

- Finding a date at Pizza Ranch has been difficult
- Decided to skip it, not worth the headache
- Lesson learned: start earlier next year

#### Next Meeting

- Will be Thursday, March 1<sup>st</sup> at 6:00 PM at the Marriott Hotel
